Goshen, Indiana,

May 14, 1924.

For immediate acceptance, I am offering the entire stocks of the following Gladioli without reservations at a price of \$250.00 each F. O. B. Goshen, Indiana, for any stocks which might interest you. These stocks range in size from enough bulbs to plant several hundred feet of row to enough to plant a quarter of an acre. I am only asking a few cents on the dollar of the real value. Add at least one of these stocks to your present plantings. You can sell enough bulbs from any of them to get your money back twofold the coming fall. This is your opportunity to add something of unusual value.

Following the names you will find the number of the page on which the varieties appear in my 1924 catalog.
